## the return of frank sidebottom and his show- biz gossip

### Sgt. Pepper Knew my father

that is the title of... a brilliant (i.e. that you can now buy in the shops) it includes such fantastic artists as Wet, Wet, Wet; Billy Bragg; the Christians; and of course... myself, but the best thing is that all of the money goes to child-line to help abused children (so buy it now)

the record shops... not greenfields!

### little denise goes missing in London!

little frank's puppet girlfriend denise went missing after my last London concert. it is not known if she walked out on little frank, or if she was puppetnapped.

there is an identikit picture of little denise... and anybody who knows her whereabouts should write to little frank, p.o. box 11, altrincham, walsley 6UN (with an s.a.e.). she can't get very far though, as she left her body behind.

call my weekend hot-line on 061-969-1909 for concert, tv, radio and fan club news... and a song!

hello fantastic fans.... it's great to be back in the new monthly 'frank' comic, but before I get down to my show-biz gossip (which by the way is all about me this month), let me first of all say how fantastic it is to see two new and original characters in the comic... yes, I'm talking about the brilliant and ace batbottom and bobbins! and, I'm sure you are wondering as I am, who they really are...

### mccartney's bass guitar is stolen

my paul mccartney original bass guitar which I bought for £25 from guthrie's (off a bloke round the back... not inside!) was stolen at a recent mcr concert of mine after the show.

the violin bass (pictured above) definitely belonged to paul because written on the back is 'this is honestly the guitar I wrote all them beatles songs on, if I'd known I was going to form wings, then I would've kept it' (a fantastic reward is offered)

# TEN THINGS YOU SHOULD KNOW ABOUT THE NEW POLL TAX

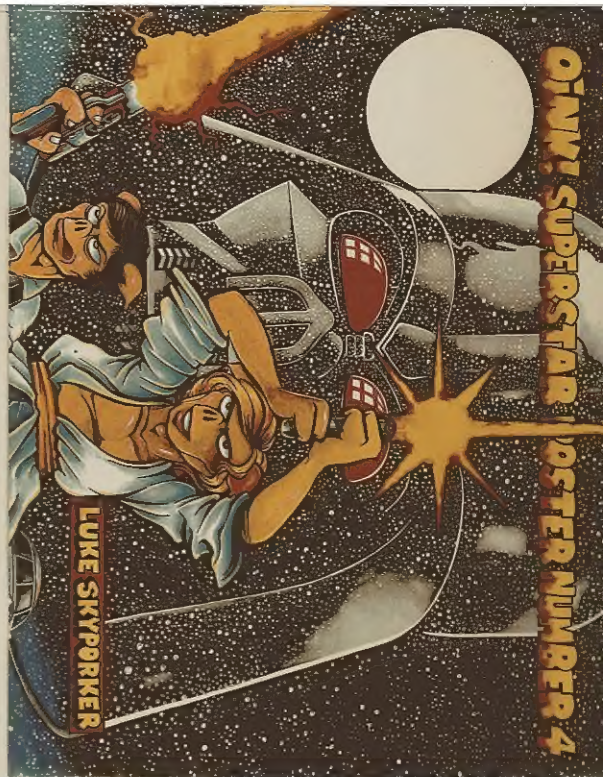

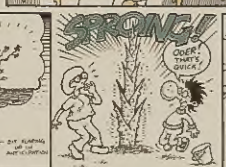

- 1 Everyone who owns a parrot has to pay Poll Tax.
- 2 If it talks, you pay double the basic rate.
- 3 If it says rude words, you pay treble the basic rate.
- 4 If it says rude words about the Labour Party you get a full rebate and 1cwt. of millet.
- 5 People who are members of the Conservative Party don't pay poll tax, no matter how many parrots they have.
- 6 People who are members of any other party do pay poll tax, even if they don't have a parrot.
- 7 People who are unemployed will get their benefits stopped unless they buy a parrot.
- 8 Old Age Pensioners must breed parrots, as they've got nothing better to do.
- 9 Anyone earning less than £40,000 a year must call their parrot 'Polly'.
- 10 People earning more than £40,000 a year can call their parrot Giles, Penelope, or StJohn-Baringham-Smythe.

A government spokesman explained that the new tax is necessary, as the old domestic rating system which it will replace is both illogical and unfair. When we suggested that the tax seemed to favour the well-off, he replied that nothing could be further from the truth and told us not to give the game away.

# GBH MONEY INVESTMENT SCHEME

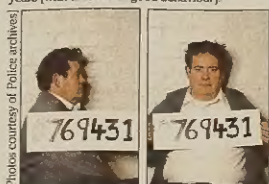

Do you want to double your money quickly? Maybe you'd like a new car, or perhaps just to pay off the cash you owe the GBH Loansharking Corporation? Well, now it's all made so easy!

## THE GBH MONEY INVESTMENT SCHEME!

Yes, that's right! You invest your money in our quick-turnover scheme, which involves absolutely NO bank-robbing at all. We use your money to buy a getaway car...er, industrial building equipment and tools. When the "raid" [technical term for a piece of work] is completed, you will receive back twice the amount you originally invested, as long as you keep quiet about it.

HERE'S ONE OF OUR SUCCESS STORIES... Mr. J. of Lincoln invested in our recent "Birmingham Project" and got back an extra \$5,000, which he'll be free to spend in about 20 years [with time off for good behaviour].

Just send your cash [no cheques, please... we can't cash them easily], and this coupon to us - TODAY!

Dear GBH: I'm interested in your money-making scheme. I realise that it has nothing at all to do with bank-robbing, but just in case you get caught, I agree to stand up for you in court. I enclose \$5,000 in unmarked bills.

## TREE TALES PRESENT - THE WONDERFUL WILDLIFE OF WATERY DOWN

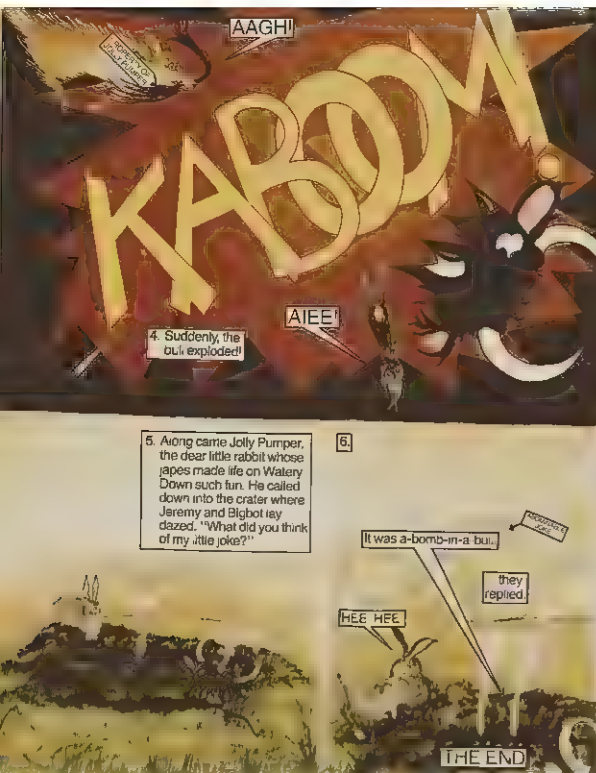

1 Bigfoot the rabbit poked his head out of his hole one morning to find a large bt. It near his warren.

2 Along came Jeremy the clever fox. "Where did that bull come from?" asked Jeremy. "don't know. And I don't know why it's standing so still," replied Bigfoot.

3 "I do believe it's made of plastic," said Jeremy. "And it appears to have a label attached." "It's ticking!" gasped Bigfoot.

# SMASHED HITS

Top mood producers SHOCK, ACHING and SLAUGHTERMAN have denied rumours that they produce talentless acts based on hype, and that their songs are needless affairs often made up in less than two minutes. They said: "Those allegations are rubbish, rubbish, absolute rubbish! Hey! ... Rubbish! Rubbish, rubbish, absolute rubbish! Rubbish! ... We've got Rick on the phone, Mandy. ... We've got his new single written!"

Scott posters SOGGY, SOGGY, SOGGY have been in trouble recently for stealing lyrics from other people's songs. This followed the release of their first album, "SERGEANT PEPPER'S LONELY HEARTS CLUB BAND".

## RECORD REVIEW

**READY SALTED CRISPS: Greatest Hits**  
The Ready Salted Crisps have excelled themselves here. Each track effortlessly blends into the next to produce a smooth, flowing, absolute pineapple of a record. The wash of melody flows out of your speakers to explode into a coalhanger of sound. The flower-haired lyrics are plectated in a way that reminds one of Shakespeare. The album is made worth buying by the final two songs which template each other in a toffee wrapper sedan chair wheelbarrow of rhapsodical melodious whimsical newspaper-ish hedgerow. Sean!

## POP LYRICS

### HEAVY METAL CRASHER

**"Wild Boy from Hell"**  
I scream at the sunrise, baby  
Cause I'm a wild boy from Hell  
And I go clomp on daisies  
Cause I hate them as well

**CHORUS**  
Hell! Hell! I'm a boy from Hell!  
[Repeat Chorus 17 times]

I go riding motorbikes, baby  
Faster than you could see  
I'm heavier than a big mean thing  
So babe, don't mess with me

I'd like to go out right now, baby  
Go out and take and fight  
But I just gotta stay in now, baby  
Mum says I gotta stay in my room tonight  
[Repeat Chorus 18 times to back]

### BORENANARAMA

**"Liquidizer of Love"**

**CHORUS**  
Boy all day all day in the back!  
Daddy boy boy daddy boy back!  
When I see you walking, boy  
In this place where the water and like dishes are  
My heart goes POW and stops a beat  
My stomach's like a liquidizer!

**VERSE**  
Liquidizer of love, love, love  
I just can't help it you know  
Liquidizer of love, love, love - 12345  
My stomach churns up so  
L-O-V-E-I-S-I-O-N  
L-O-V-E-I-S-I-O-N

The guy who writes our lyrics  
Can put us on with his  
Liquid, liquid, liquidizer  
Liquidizer, yeah!  
[Repeat Chorus to back]
